TAISEI CORPORATION

PHẠM VI HOẠT ĐỘNG :

- Cung cấp dịch vụ kỹ thuật xây dựng, giám sát và tư vấn. Dịch vụ thiết kế xây dựng, dịch vụ thi công cho các công trình trong và ngoài nước bằng mọi nguồn vốn.
- Kinh doanh bất động sản.

SCOPE OF ACTIVITIES:

- Provision of construction technique, supervision and consultancy services; construction design services, construction services for projects inside and outside of Vietnam in all kinds of capital resources.
- Real estate business

SỨ MỆNH :

"Tạo dựng một môi trường sống năng động cho mọi thành viên trong xã hội."

Chúng tôi kiến tạo không gian sống an toàn, hấp dẫn, môi trường làm việc và sinh hoạt có giá trị vượt trội với mục tiêu cung cấp các sản phẩm và dịch vụ hài hòa với thiên nhiên. Chúng tôi cũng nỗ lực góp phần xây dựng một xã hội toàn cầu lành mạnh, mang lại lợi ích cho toàn thể nhân loại và tràn đầy hy vọng, ước mơ cho thế hệ tương lai.

MISSION:

"To create a vibrant environment for all members of society." We create safe and attractive spaces as well as work and living environments of exceptional value with the aim of providing products and services that are in harmony with nature. We also work to support the creation of a wholesome global society that will benefit all of humanity and be filled with hopes and dreams for the next generation.
